

WHO DO YOU WANT TO BE?

-Liam Dreamer-

Hey there, **future stars** !

Welcome to **Who Do You Want to Be?**

This book is all about discovering the amazing possibilities for your future!

You can be anything you dream of—an artist, a scientist, a teacher, or even a superhero! In these pages, you'll explore different jobs and what they do. Get ready to use your imagination and think about what makes you happy!

Let's go on this exciting journey together and find out who you want to be!

Chapter1 : Dream Big!

What do you want to be when you grow up? This is a big question, and there are so many fun answers!

Let's Explore Some Jobs:

- **Artist:** Do you love to draw or paint? Artists use their imagination to create beautiful things! They make pictures, sculptures, and even movies.
- **Scientist:** If you like to ask questions and experiment, being a scientist might be for you! Scientists discover how things work and explore the world around us.
- **Teacher:** Teachers help kids learn new things every day. If you enjoy sharing knowledge and helping others, this could be a great choice!
- **Explorer:** Do you like adventures? Explorers travel to new places and discover new things, like animals, plants, and cultures!

Activity:

Take a moment to think about what you love. Draw a picture of what you want to be when you grow up!

Chapter2 : What Makes You Happy?

To find out who you want to be, think about what makes you happy! Your interests can help you discover your dream job.

Things to Consider:

- **Hobbies:** What do you like to do in your free time? Do you enjoy sports, reading, or building things? Your hobbies can give you clues about what jobs you might like.
- **Helping Others:** Do you enjoy making people smile? Some jobs, like being a doctor or a volunteer, let you help others every day.
- **Creativity:** Are you good at making up stories or drawing? Jobs like writing or designing let you use your imagination!

Activity:

Make a list of things you love to do. Talk about them with a friend or family member. What jobs could match your interests?
